Jack Frost's "Defroster"!

When Jack needs to "chill-out" he sticks a tap in the most beautiful bluish-green glacier in his back yard and out flows an amazing elixir of Gosling's "Black Seal" Bermuda Rum, Blue Curacao, cream of coconut and sweet pineapple juice! It is then shaken, by his assistant "Whitworth" and served in a snowy white honey-coconut collared glass and topped with mini marshmallow snowballs and sprinkled with Jack's own special "Gold Fairy Dust"!
